INFANT FORMULA/FOOD SIGN-OFF (Birth - 1 Year)

BCCELC participates in the Child and Adult Care Food Program (CACFP) and is required to provide the same meals and snacks to all children, including appropriate food for infants. We have not built the cost of infant meals into our daily rate, therefore, an extra fee of \$10/day or \$50/week will be added to the infant rate if a parent chooses to participate in this service.

_____ I want BCCELC to provide iron-fortified formula and age appropriate foods for my child. I understand that an additional fee will apply until my child is 1 year of age.

_____ I understand BCCELC offers iron-fortified formula and age appropriate foods, however, I choose to provide food for my child until he/she turns 1 year of age.
